## Sensación

# Sensación

Introducing hand embellished canvas editions of new work from South America's most highly-regarded figurative artist, the formidable Fabian Perez.

Fabian exercises a rare control over his subjects. His graceful figures move against dark and shadowy backdrops, and an occasional swathe of vibrant colour adds to the seductive atmosphere. This extraordinary collection plays dramatically on the senses, inviting the viewer to feel the tantalizing breeze on the balcony at Buenos Aires, sense the cool yet alluring aura of the geisha, and warm to the passionate heat of the tango.
